Dear Mr. Howorth:

In order to assist the Authority in its review of BellSouth's tariff 2003-956, *Tariff to Introduce BellSouth Integrated Solutions*, please provide responses to the following:

1. Calculate termination charges for a hypothetical customer under the following scenario: The customer signs a 36 month term contract for a BIS-PRI package priced at \$759 and terminates following the completion of the month 12. Provide actual dollar amounts, and calculate the termination charges separately for the regulated and the non regulated components of the \$759 bundle.
2. For each of the BIS-T1 and BIS-PRI bundles, provide the following information:

BIS-PRI Bundle	BIS-T-1 Bundle	Description
\$	\$	Promotional rate for the regulated elements included in bundle
\$	\$	Promotional rate for the non regulated elements included in bundle
\$759.00	\$639.00	Total rate for bundle

Please submit the requested information no later than September 23, 2003. Should you have any questions regarding this matter, please contact Arnie Reed at (615) 741-2904, extension 207.

Sincerely,

Joe Werner
